Global Radio Jazz

\$55.00 Box of Cash

Jazz Joy and Roy thanks those of you who have said to yourselves something to the effect of, "You know what,

I'm gonna buy Listener Supported JJ&R a box of cash, because my generous fifty five dollar gift to Listener Supported JJ&R defrays the cost of the Jazz Joy and Roy marketing and production that, thanks to generous advice from critical-thinking gurus like the incomparable Bob Welch, Barry Harris and Tony Kram, have made Listener Supported JazzJoyandRoy.com a global powerhouse, plus my gift is a great way to say, 'Thanks Roy, you've been making me and my country less

**pissed off since 2007, so I
surely don't want Listener
Supported JJ&R to go out of
business!'"**
